Bill has been a part of Northside since the announcement of a church plant in North Albany was made in 2019. His spiritual journey began as a child, the youngest of four boys, growing up in the Catholic Church in Parsippany, New Jersey. While not part of an overly religious upbringing, Bill always felt a special connection with Christ. When his father died unexpectedly from a heart attack when Bill was just thirteen, his faith was challenged but it never wavered. It wasn't until a few years later, when a friend invited Bill back to the HS Youth Group, that his faith deepened.

Bill remained an active member of the Catholic Church until 2004 when he

decided to recommit his life to Jesus and was baptized in 2005. Since then, he has served in various ministries while a member of Canyon Ridge Christian Church in Las Vegas, as well as at Suburban and now Northside, as the Treasurer.

Outside of church, Bill has worked as a CPA in various capacities since becoming certified in 1992. Currently, Bill is a manager at Your Part-Time Controller, working with non-profit organizations. Along with his wife of over 30 years, Jody, they have resided in North Albany since 2017 and have two children, ages 27 and 24 along with a one-year-old granddaughter.

The most exciting thing about Northside, according to Bill, is being a part of the growth and foundation that will help many people know about and grow in Christ for generations to come right here in North Albany!
