

Elder

BOBBY HEMMER
NORTHSIDE CHURCH ELDER

Hello, my name is Bobby Hemmer and I'm excited to tell you a little bit about myself. I grew up in a Christian household, and was taught the importance of faith, family, and friends (in that order) from a young age. My relationship with the Lord has guided my life's decisions ever since. When Jamey first told me he was planting a church in North Albany, I immediately jumped on board. I was part of the original launch team and have been actively involved in Northside ever since.

My wife Heather and I met in college and have been married for eighteen years. We have two children, Ashley (age 15), and Carson (age 13). We love our sports and can often be found at volleyball and basketball games and tournaments. Our family also loves the outdoors, and enjoys fishing, hunting, and camping together.

I completed my undergraduate studies at Northwest Nazarene University, majoring in Computer Science. I also have a Master of Business Administration degree (emphasis in Engineering Innovation) from Walden University. In twenty-plus years working in high-tech, I've held leadership and management positions at companies including Hewlett-Packard and Fiserv. I'm currently the Director of Operations for Information Systems at Samaritan Health Services.

Please feel free to reach out to me anytime. I look forward to serving as an elder and consider the role a blessing and one of the highest callings for my life.
