I'm a simple farm boy from Idaho. Went off to college at that university with the blue turf! Moved to Las Vegas in 1973, met Pam and married in 1975. We have three grown children and four grandchildren - so far!

My work career was largely focused on general management. 36 years with an Atlanta based company named Harland. 9 years with a Munich, Germany based company named Kontron. With Harland my roles included Plant, Regional and SVP Operations positions and some significant Project management sprinkled in. For Kontron, I led US

Operations groups and a Global Business Unit serving defense industries.

I was raised in a loving family but not a Christian home. My salvation came at the ripe age of 28, largely due to Pam and her family. My early career included lots of time away from home and several relocations. Sprinkle in the addition of three children and my success with spiritual growth was unimpressive early on. Our nomadic life stabilized in 1996 when we moved to Escondido, CA. We became members of Emmanuel Faith Community Church and at 45 years of age I was baptized alongside my children. EFCC nurtured me for over twenty years and prepared me for my encounter with Jamey and Northside Church.

I have been engaged with Northside since the beginning. I love Northside and pray that God will equip us with the heart and skill to further His Kingdom.
