Hey Northside Middle School and High School Parents and Students,

JUST A REMINDER!! Deadline for signups for Lake Day is this Thursday, Aug. 8th at 5pm. For this event, we really need a minimum number to make this worthwhile. **WE ARE STILL SHORT** on numbers, so I will send out another email tomorrow or Thursday morning as a last minute reminder if we don't have numbers. There are quite a few of us that are working hard to make this happen and looking forward to it. **PLEASE SIGNUP SOONER RATHER THAN LATER!!!**

All details below along with flyer and Release Form. If you have any questions or if you would like to volunteer and come out to enjoy some time on the water or for a nice picnic onshore!

If you have already signed up, I have your name down and no need to RSVP again! God Bless...Jim

PLEASE NOTE: RSVP as soon as possible, deadline is August 8th, but turn-out is low at this point. If we don't have 15-20 students that get signed up, then we don't have enough for this event to make sense. Please get ahold of Jim Atkins (Jim@northside-albany.com or 541-905-3166) if you or your student is interested in having a blast at the lake Saturday, August 10th.

AUGUST 10th - YOUTH LAKE DAY

Location: Foster Lake

Time: 9:30am - 8pm-ish

Details: **Flyer and RELEASE FORM are attached to this email.** A Release Form & \$30 will need to be turned into Jim or morning of drop-off prior to your student being able to leave Oak Grove School Parking Lot on the morning of the event. No students may attend without Parent Signature on the Waiver. (The attachment may not print for some of you, I will be sending a Google Document right after this email, if the attachment doesn't work)

General Info: Drop off at 9:30am at Oak Grove Elementary school, we should return around 8pm. Lunch and Dinner will be provided; lunch at the lake and hit Pizza Hut in Lebanon on the way home. Cost is \$30/student to help with gas, food, etc. Bring towels, **sunscreen**, change of clothes, etc. Swimsuits **WILL BE APPROPRIATE** for church activities...this is Jim's definition and not open for debate. If showing too much, then you get to wear a pair of Jim's swim trunks and a big baggy t-shirt! **RSVP by August 8th**, open to all Northside youth students and friends. If your student has a life jacket they can bring, we want to make sure we have all sizes and enough for everyone out on the boat, then they can bring it! We will **ONLY** allow the number of students out on the boats as we have life jackets.

Safety is the #1 priority, an email with the Release Form that **MUST** be signed before leaving is required and will be sent out next week.

Please RSVP to Jim by August 8th...the sooner the better! (Jim@northside-albany.com or 541-905-3166) If there is ever a problem with cost of a Youth event, please let Jamey or Jim know and we will figure something out. We do not want students missing out on events.

Any questions, please give me a call! More info to come via email and through Church news!

God Bless,

Jim Atkins
