Hello Parents-

Kids entering 3rd, 4th or 5th grade are welcome to join us for 3 nights and 4 days at Camp Tadmor June 29th (4pm)- July 2nd (10am)! Registration is now LIVE as of today! Don't wait to sign up as spots might go quickly!

If you missed my last informational email here is a quick summary of the week:

This 4-day western themed camp is packed full of all that Tadmor has to offer- high-energy team games, challenge courses, lake time, archery, night games, hiking, giant slip and slide and more! But most importantly the week will have gospel centered teaching sessions followed by small group discussions, as well as lots of opportunities to grow in their relationships with other students and leaders from Northside. Tadmor does a phenomenal job at creating a fun environment for kids to learn more about Jesus and connect with others!

Tadmor at full cost for this age level is \$250 per child, however, we will be having a fundraising BBQ after church on May 3rd which will bring that cost down. In past years this has been a very fruitful fundraiser but I cannot tell you what the final payment will be. You do not pay at registration, unless you want a camp photo. We will send out a link in the future regarding payment once the fundraiser money has come in.

Again, if your child is entering 6th grade or above they will be registering for a different week at Tadmor through our youth pastor Blake. You can email him at Blake@northside-albany.com.

We look forward to partnering with you and hanging out with your children! Please let me know if you have any questions at all!!

In Him,
