Good afternoon,

Summer camp registration is here! We have so many fun things planned for summer camp and I can't wait! That being said, there's a few things that need to happen first in order for summer camp to run smoothly.

First and foremost, **please register your child through the link below**. Please make sure you click the correct link! If your child will be an incoming 6th grader, please make sure they register with Middle School and if they are an incoming 9th grader, please register with High School. If your child is graduating high school, they unfortunately will not be able to join the high school camp per Tadmor policy.

Once you start to register for camp there are a couple spots where it can get confusing. Firstly, please make sure you click either "Male Student" or "Female Student", **not the leader option**. Once you click the correct option, there will be something that asks if you want to put money in your child's "Camp Store" or "TadMerch" account. This is so that your child can buy candy or milkshakes during the week. This way your child can be cashless during camp but can still buy candy if they would like. Any money not used will be returned to you after camp is over. This is totally optional, and up to you if you would like to add anything to that account. (you can add money to this later as well) ****This money will not be going towards your registration costs**** After that there should be a bunch of medical questions. At the end, it will talk about costs to register. At the very end it should say totals for registration costs. It should say \$0.00 for registration. The only thing you should be paying for is if you are adding money to your child's "TadMerch" account. You will be paying Northside directly for camp costs rather than paying Tadmor, so you'll be hearing from me soon about camp costs.

Once you finish registration through Tadmor, you should receive a confirmation email from them. This email should have a link to all things Tadmor! It should have packing list, daily schedules, things you should/shouldn't bring, and everything else you need to know about camp! If you have any additional questions, please reach out to me and I'll get an answer for you! Here's a quick reminder of the dates and costs!

MIDDLE SCHOOL: Camp will be from July 19th - 24th, 2026. The "sticker price" for summer camp is **\$500**. This includes all housing, meals, games, and events that happen

throughout the week. However, we will be doing some fundraising soon for families who need financial assistance. I can't give you a number for how much camp will cost after fundraising, but we will of course do what we can to make it as affordable as possible.

HIGH SCHOOL: Camp will be from July 26th - 31st, 2026. The "sticker price" for summer camp is **\$520**. This includes all housing, meals, games, and events that happen throughout the week. However, we will be doing some fundraising soon for families who need financial assistance. I can't give you a number for how much camp will cost after fundraising, but we will of course do what we can to make it as affordable as possible.

WAITLIST: If you go to register and there's no more spots available (there's no more option to click "male or female student") that means that spots are already full. Please email me IMMEDIATELY (blake@northside-albany.com) if you are wanting to be put on the waitlist. As soon as I get your email, I'll add you to a waitlist and if anyone drops out, the next person on the waitlist will get the option to register.

Please try to fill out this registration ASAP! Summer is approaching fast and the sooner we can get registration figured out, the sooner we can make sure that any hiccups are worked out before camp starts! Thank you! I can't wait!
